

# RED ALERT:

# STAND UP AGAINST ABORTION EXPANSION

*“If thou faint in the day of adversity, thy strength is small. If thou forbear to deliver them that are drawn unto death, and those that are ready to be slain; If thou sayest, Behold, we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works? (Proverbs 24:10-12)*

**Gov. Andrew Cuomo has called for the Reproductive Health Act (RHA)  
— an abortion expansion bill —  
to be passed within the first 30 days of the 2019 legislative session.  
The RHA could be voted upon as soon as Tuesday, January 22.**

## THE RHA WOULD:

- Allow abortions to be performed by medical personnel other than physicians;
- Take abortion-related crimes off the books in cases where pregnant women miscarry after being assaulted;
- Allow third-trimester abortions for any reason (removing ambiguity in existing law); and
- Make it legal for viable babies born alive following late-term abortions to be denied medical care.
