

Pregnancy Center Report Bill (A.5499 – Glick) New York State Assembly, April 4, 2022

A.5499-Glick would authorize the New York State Department of Health to study and report on “the unmet health and resource needs facing pregnant women in New York” and the impact of limited service pregnancy centers on women’s timely access to “a comprehensive range of reproductive and sexual health care services.” The legislation would impose onerous data collection and reporting requirements upon certain pregnancy centers that conduct lawful activities in the State of New York. The bill is best understood as an effort to weaponize New York government to harass a set of pro-life, charitable organizations based upon their beliefs.

On April 4, 2022, the Pregnancy Center Report bill passed by a vote of 101 – 45. A “yea” vote was a vote to require pregnancy center reporting. A “nay” vote was a vote against requiring the reporting.
