

## Bill A.8070 (Titus) – Women’s Equality Act (WEA)

New York State Assembly, June 20, 2013

The New York State Assembly passed the Women’s Equality Act, which included provisions relating to abortion expansion, by a vote of 98-47. The WEA would allow third-trimester abortions under a broad “women’s health” exception, and would allow non-physicians to perform abortions. The WEA has not passed the Senate to date.
