

Bill A.6357 (Gottfried)

In Relation to the Medical Use of Marihuana

New York State Assembly, June 3, 2013

The proposed legislation would allow the use of marihuana for medicinal purposes. On June 3, 2013, this bill passed the New York State Assembly by a vote of 99-41. NYCF has serious concerns about the impact the legislation would have upon vulnerable individuals and upon public health and safety. Furthermore, the safeguards contained within the bill to prevent misuse of medical marihuana are grossly inadequate. The State Senate has not voted on the bill.
